WHAT WE DO

Services built around your business

No one-size-fits-all packages — just practical support where you need it most.

1

2

Grant Strategy

Find, write, and submit grants that fit your business and your growth goals.

HR & Admin Infrastructure

Build the foundational processes that keep a growing team on track.

3

Recruitment & Hiring

Attract and onboard the right people for your small business.

4

Project Management

Keep key initiatives moving with clear plans and hands-on execution.

WHO WE ARE

Hi, I'm Emily

Owner & Consultant behind Flora Street Strategies. I help Philadelphia small businesses fill in the gaps so they can grow with confidence.

Before consulting, I spent nearly a decade supporting international students at Philadelphia universities, earned an M.S. in Hospitality Management, and ran operations at a busy urban winery. That mix of hospitality, process, and genuine care is what I bring to every client.
